**Mayor and Council come out of closed session at 7:02 P.M.**

\*During closed session, Councilwoman Weber arrived at 6:11 P.M., Councilman Garcia arrived at 6:18 P.M., and Councilwoman Bellinger arrived at 6:21 P.M.

**PLEDGE OF ALLEGIANCE:** Led by Borough Administrator Joseph D'Arco at 7:03 P.M.

Mayor LaBarbiera wishes a happy 90<sup>th</sup> birthday to Rose Whitehead of the Tax Assessor's office.

**PRESENTATION:** Superintendent of Public Works, Guy Picone, presents an option regarding the renovation of certain areas of Borough Hall. The proposal is to extend the offices by the Borough Clerk's office up to the windows, which would result in the loss of the public hallway that currently extends from the Borough Clerk's office down to the Tax Department. This would give extra space as far as offices and storage space. The only issue with this option is that the public would have to go back outside and walk to a different entrance to access the Health Department. It's cheap and can be done in-house. The Tax counter would also be redone.

**BOROUGH ATTORNEY'S REPORT:**

**MAYOR'S REPORT:**

**COUNCIL MEMBERS REPORTS:**

Councilwoman Bellinger Is the Planning Board secretary being compensated for her duties? Mr. D'Arco has to review the letter, but states that any Borough employee that works on a board or commission after hours that is part of a union that is an overtime rate in their contract. Fourth of July committee met and letters are going out. The theme will be shining stars of Paramus.

Councilwoman Tedesco-Santos The Library is anticipating that the renovation will start mid-March and hopefully reopen in June. Mr. D'Arco says there is a long list of items that are not part of a co-op and will be going out to bid, assuming there is authorization from the Mayor & Council. The Fire Department had their installation dinner. The chiefs, lieutenants and captains were sworn in. The Pool is still looking for a new manager. The Chamber of Commerce will have a meeting on Thursday.

Councilman Garcia The Golf commission had a meeting last Monday. The main topic was the pond expansion. The Board of Ed meeting was in January. They discussed a resolution to ask that the elections be moved out of their buildings. The Borough Clerk explains that the location for the elections has to meet many requirements therefore it can't just be simply moved. They sent some suggestions which the Clerk will review, but also the county has to approve. The Environmental Commission has Earth Day scheduled for April 24<sup>th</sup>. They ordered water bottles and milk weed seeds to be given out on Earth Day. There were invoices for them and were advised that by the time they are reviewed and approved it'll be after April 24<sup>th</sup> so they might have to cut a manual check. Mr. D'Arco advises that he approves requisitions every morning. If they submit it, it will go on the next bills list. Jerry Anthony presented about the proposed plastic bag ordinance a while back. He wants to come back and discuss it again. There was a COAH meeting today. Applications for Veteran Housing units are out. Anyone interested can see

Veteran's Affairs Officer Sam Casiello or Affordable Housing Liaison Diane Marichal. The Veteran Housing should be done by late March or early April.

Councilman Verile the Police Department will be conducting interviews this month. They will be hiring six new officers. Recreation had a great pilot program with Yavneh. The basketball coaches are very pleased with the new courts and they love the opportunity to utilize them. On March 29 there is a Rec coach's dinner at Florentine Gardens. Cultural Arts has a meeting on Thursday. Letters went out to raise donations for the summer concerts. Mayor LaBarbiera states that everyone is raving about the program at Yavneh.

Councilman Sullivan Can 16-02-116 be moved to Non Consent? Did the Ethics Board Attorney get appointed? Why did we go back out for RFQ's? Borough Clerk Annemarie Krusznis says she will check and let him know. Councilman Sullivan would like explanation on the bills list. It just says "Professional Services" and "Boswell". Mr. D'Arco says any Councilmember can have access to the bills. Some of the descriptions of the bills are lengthy and don't fit in the system that way. For example when it says "eyeglass reimbursement", or "professional services, engineer", that is not detailed enough. Mr. D'Arco will talk to the CFO.

Councilwoman Weber The Historic Commission would like the homeowners of 1 Legion Place to be recognized for the renovation. The building department brought in revenues of over \$2 million in 2015 from permits, penalty charges, etc. Quality of Life had 82 work orders and 42 notices of violation, resulting in 4 summonses. A letter was received from residents who live on Hickory Avenue inquiring about the noise pollution from planes flying into Teterboro Airport. Several complaints were made. Councilwoman Weber wants to respond to Mayor LaBarbiera's Facebook post regarding the meeting of January 12, 2016 where she questioned her committee assignments. Mayor LaBarbiera responded by discussing committee assignments in the past. Councilwoman Weber says his statements were inaccurate. Councilwoman Weber explains examples of how she has contributed to building Paramus. Councilwoman Weber states she has no personal agenda other than what is best for Paramus. She feels that Mayor LaBarbiera owes her an apology and she would like to agree to work together to benefit the people who elected them.

Mayor LaBarbiera says he will never take exception to any of the great things Councilwoman Weber has done for Paramus. He apologizes to her for any offense taken. Councilwoman Bellinger points out that Councilwoman Weber is liaison to Quality of Life and Historic, and is a member for DPW, Building Department and Labor Negotiations. For her to say she has been assigned to zero things is unfair. Councilwoman Weber thinks she has earned her spot in Paramus. Councilman Sullivan says they are all elected by the people, which means the people believe they are qualified to be a chairman of a commission. Councilman Garcia states that he is offended by the constant insinuation of partisanship being the reason for the appointments. Everyone should want the same things. This is not the kind of office where partisanship should matter. It is local government.

**ADMINISTRATOR'S REPORT:** The use of Yavneh Academy gym is going great so far. We are guests in the facility and have a privilege of using it. The department heads that were coordinating it were made aware that there is a zero tolerance policy. There are seven more events there and then we'll be critiquing them and seeing where improvements are needed. The

Rec Center remodeling is moving along. The art students are doing the murals. Emergency generators are discussed. Almost all of the buildings have already been looked at. The Spring Valley Road house is an expansion plan that's been pending. There is no rush by the Fire Department for that expansion but they want to at least acquire the property. There was a discussion on the issue of life insurance policy and that you couldn't have the funds to just pay the policy on the death of volunteers. We now have secured life insurance policies with the firms. That covers the volunteer fire rescue and ambulance corps volunteers. The death benefit life insurance policy on inactive members will need to be discussed in closed. PSE&G lease agreement on Woodland Avenue is completed. They have agreed to the \$2,000 a month use of our easement. Historical Commission was supposed to be here tonight on 113 W. Midland. The council got the notice on the cooperative program between the Bergen County Consumer Affairs office and the Building Department. There will be a seminar here relative to consumer protection regarding contractors. Councilman Sullivan inquires about the appraisal about 113 West Midland Ave and why it took a whole month. Mr. D'Arco said he addressed it at the last meeting and he doesn't have it in front of him right now. There is an amendment to the 3<sup>rd</sup> party ambulance billing. We've added a clause saying you have to be a registered resident of Paramus to be in a care facility. There has been a draft written for the resident who wants the bridge to be named after her grandfather who was a part in building it. The resident will approve it and then it will be made into a sign. There was a meeting with the Health Department regarding the senior citizen snow removal. Announcements are being made every day at Paramus High School. There are a lot of kids looking for volunteer hours. The police department has the proposals for the automated crossing signs. Speed tables are not permitted. The Library renovations are on track. Closed session items will be CFO replacement, director of communications at PD, borough clerk salary survey.

Mayor LaBarbiera says 16-02-116 is moved to the non-consent agenda. The Borough Clerk clarifies 16-02-97 by saying that the Ethics Board Attorney position was not advertised in the original RFQ in December so the Borough had to go back out and advertise separately for it, that is why it's on this meeting.

**PUBLIC COMMENTS:** Citizens are welcome to address the Mayor and Council on any governmental item of concern to them, whether or not it is scheduled on the agenda above. Comments will be made at the public portion of tonight's Public Meeting in the Council Chambers.

Mayor LaBabiera opens to the public for comment on agenda items only at 8:17 P.M. – **None.**

ambulance bill? Mayor LaBarbiera advises him that if it is a Paramus resident they do not have to pay the remainder after their insurance. Mr. Locicero also wants to mention the appointments of the Council to boards and commissions. When he was on the Council everyone had equal appointments. Lately it hasn't been equal. People who have been on committees and wanted to stay on have been replaced. Mr. Locicero hopes it doesn't continue this way.

Bernadette McCausland 856 Pascack Road – Ms. McCausland is not speaking on behalf of the Board of Ed. The request from the Board of Ed to remove the polling places from schools was made for several reasons. The week of election falls on the same week as NJ teacher conventions. The safety of the students is also a huge issue. There have been people who have tried to use the children's bathrooms. The parking lots are completely full. The voter would have to park on a public street and walk to be able to vote. Councilman Garcia assures her that they are taking the request seriously. Mayor LaBarbiera says the Borough Clerk will contact the County Board of Elections as they are the ones who ultimately make the decision. The Governing Body doesn't have the say. This was discussed last year and the new site that was suggested didn't meet the criteria.

Francis Warburton 367 Harrison Street – Mr. Warburton read an article pertaining to Upper Saddle River and Mack-Cali Realty. There is a piece of commercial property that they want to change into affordable housing. It is interesting because Paramus has half a dozen or more Mack-Cali buildings. Are the buildings in Paramus zoned commercial use only? If so, does it exempt us from the worry that a 5-10 story building could become an apartment building? Mayor LaBarbiera says the concern is well founded. There is always a chance that a developer could propose a builders remedy to meet a municipalities COAH obligation. This is one of the arguments that we're using in the review of the master plan. Mr. Warburton wants to know the criteria for the Veteran Housing. Mayor LaBarbiera says you have to apply through Paramus Affordable Housing and anyone who wants to do so can speak to Diane Marichal, the municipal Housing Liaison. Mr. Warburton points out that it is the Borough's loss that Councilwoman Weber has been taken off of committees.

Joe Warburton 374 Harrison Street – There was a question regarding whether or not the Ethics Board was formed correctly. Was the Paramus Affordable Housing Board formed correctly? Can those records be gotten from the Borough Clerk? Also, the notice for the Paramus Affordable Housing meeting went in on February 8, and the meeting was Tuesday February 9. Isn't it supposed to be 48 hours? The Borough Clerk advises that it was sent to the paper on Friday. The statute says it is the date that the notice is sent that counts.

Francis Warburton 367 Harrison Street – the issue with the noise pollution from Teterboro Airport is a huge problem.

**Councilman Sullivan brings up getting bullet-proof vests for the Special Police who work court security. They should have some kind of protection. Councilman Sullivan will ask the Chief to make some kind of suggestion so the Council can make a decision.**

Judy ? 494 Wilson Avenue – Instead of letting ranches and capes get torn down for bigger houses, can the Borough buy them and put people in them? It's more humane. The Veteran Housing breaks zoning laws and it is very congested.
