Those programs that have enrollment limitations will accept up to 50% of their registrations through the online process. Once this quota has been achieved then the computer will automatically not allow any more online registrations. The reasons for a 50% limitation are because not everyone has access to a computer and not everyone feels comfortable using their credit cards for online purchases. To register online go to [www.paramusborough.org](http://www.paramusborough.org) **Your home phone number is your password as well as your user name.** Your printed receipt will include all vital information concerning the activities registered for.

**Starting dates and other pertinent information will be posted on your receipt.** For those signing up online, it is important that you print out your receipt. Those who take advantage of Mail In Registration need to send a self addressed and stamped envelope in order to have their receipts mailed to them.

**All registration forms that are mailed in must include full payment.** Checks should be made out to "Paramus Recreation." *Individual checks are needed for activities that have enrollment limitations. Those registration forms arriving without payment will be sent back unprocessed.* It is not necessary to send individual envelopes for every member of your family.

First time youth registrants and **all adult registrants** will be required to show proof of residency. The only accepted forms of proof will be the following: driver's license, current tax or P.S.E.G. bill, water bill, renters agreement, deed to house or **notarized** letter from a landlord stating residency. The following are not accepted forms of proof: automobile registrations, bank checks or statements, cell phone bills, credit card bills. **If proof is not provided at the time of sign ups, registration will be denied and "spots" will not be held.** First time youth and all adult registrants taking advantage of the mail in pre-registration format **need to include a photocopy** of their residency proof. *Forms that arrive without proper proof of residency will be sent back to the sender.*

**Copies of Birth Certificates** need to accompany all applications for first time registrants. If this is not attached to the registration form, the *registration will not be accepted* and a "spot" will not be held. *Forms that arrive without copies of birth certificates or copies of passports will be sent back to the sender.*

**Late registration** will begin on **Wednesday, May 22nd** and will end when a program is filled to capacity or the **deadline for registration has passed.** Thereafter, a waiting list for all filled and closed programs will be maintained by the Recreation Office. A late fee of \$4.00 per person per activity will be assessed after Tuesday, May 21st. **Late registration will be taken weekdays between the hours of 1:00 & 4:00 p.m.** Late registration **will not be taken** during the morning office hours. Please be aware that some programs might fill up prior to In Person Registration.

Adults will lose thirteen dollars per program. **Any late fees that may have been paid will also be lost to the registrant.** *Anyone who insists on a refund instead of credit will be charged an additional \$35.00 to cover the costs associated with the processing of a check.*

Withdrawal from any of the Summer Programs must be made prior to **Friday, June 21st** in order to be eligible for credit. Withdrawal from Tackle Football must be made prior to **Friday, August 2nd** in order to be eligible for credit. Withdrawal from all Fall Programs (with the exception of Tackle Football) must be made prior to **Friday, August 23rd** in order to be eligible for credit. There will be no credit issued for withdrawal from Competition Cheerleading, Travel Soccer or Travel Basketball Tryouts. **Those wishing to drop from an activity must notify the Recreation Office directly.** The number to call is (201)265-9321. The site will be staffed by Felicia Fedele. For safety reasons, it will be mandatory that parents stay and supervise their own children. In the event that the parent cannot attend playground, then the child cannot attend either, regardless whether someone else has agreed to supervise that child for that day. **Children who have already attended Kindergarten or any grade higher are not permitted to register for this location.**

*When registering for any summer program, do not use the grade your child will be in as of September 2013, use the grade that your child was in as of June 2013. All tryouts for all teams will be run by several hired professionals. They will be selecting the teams based on the skills and talent that they see during their tryouts. No one will be exempt from the tryouts. Tryouts will be held in early October. A tryout schedule consisting of two sessions for each division will be e-mailed out to all registrants on or about September 26th. Those without e-mail will need to call the Recreation Office after that date to obtain the tryout schedule. **THE DEADLINE FOR REGISTERING FOR TRAVEL BASKETBALL TRYOUTS WILL BE FRIDAY, SEPTEMBER 20TH.**

Those parents considering having their children try out for traveling basketball should realize that schedules for traveling leagues are not made available until December. The Paramus Recreation Department does not do the scheduling for the leagues that its teams participate in. Therefore it is impossible at this time to know what specific nights or days our traveling teams will be playing on. Most away contests will take place in other Bergen County towns; however some games may be played in Hudson or Passaic County communities. Parents are responsible for transporting their own children to away games. **Traveling team participants are not guaranteed any specific amounts of "playing" time.**

The \$63.00 Registration Fee for Traveling Basketball will be collected after tryouts have concluded and children have been selected. An additional cost of \$45.00 will be charged to any boy making a team who doesn't have a uniform from last year. The additional uniform cost for all the girls will be \$70.00.

The fee to tryout will be \$10.00. This fee will be non-refundable and will not be applied to the registration fee if a child is selected for one of the teams. These tryout fees will be used to help defray the cost for the impartial evaluators who will be selecting the teams. Registration for the "intown" basketball program will be held in October. Those who make a travel team and also want to participate in the intown program need to be aware that conflicts will occur.
