Notice to all Paramus Residents:

In effort to better assist our residents with sanitation and recycling pick up, your calendar shows you exactly what is going on each day, and what to put out on the curb so there is no confusion and no waste!

What do the [colors](#) mean on the calendar?

The colors on Monday through Friday show which day is curbside recycling. Please check your [recycling container](#) for **section number** and [color](#).

Are there any other changes?

The only change to the current pickup schedule is on a Borough holiday, garbage and recycling will be [cancelled](#) and [not rescheduled](#).

CURBSIDE RECYCLING

(check your recycling containers for section number and color)

Monday – Section 1 – RED

Tuesday – Section 2 – BLUE

Wednesday – Section 3 – GREEN

Thursday – Section 4 – ORANGE

Friday – Section 5 – BROWN

IF A HOLIDAY FALLS ON YOUR RECYCLING DAY, YOUR PICK UP IS CANCELLED.
Collections are made on your scheduled day only!!

General Information to all Paramus Residents:

General Notice:

Residents are **not** permitted to place garbage, trash, or grass waste at the curb before **6:00 pm** on the day prior to scheduled collection, nor later than **5:00 am** on the scheduled collection day.

Snowfall Notice:

In the event of a snowfall of **3 inches** or more during any weekday, the scheduled garbage and recycling pick up for that day **may** be suspended. Garbage would then be picked up on your next regular scheduled day. Recycling pick up would be **cancelled** and **NOT** rescheduled.

Leaf Pick Up Notice:

- During the period of **October 1st** to **December 4th** grass and leaves may be put into the curb-line, loose and **un-bagged**, for pick up by our leaf machines.
- **DO NOT MIX BRANCHES, STICKS, TWIGS with leaves!**
- **NO resident or landscaper may place leaves in the street after December 4th.**
- On December 5th, please follow rules for grass pickup.
- FYI: Residents may continue to put leaves and grass in garbage pails or biodegradable paper bags, which will be collected every Wednesday.

General Information to all Paramus Residents (continued)

Building Materials Notice:

All materials from construction, renovation, or demolition, including but not limited to:

- Sheetrock
- Shingles
- Cabinets
- Formica
- Wood
- Etc.

Are **NOT** considered garbage, trash or refuse and **WILL NOT** be collected by the Borough of Paramus. Any type of wood (including fencing) will **NOT** be picked up. The disposal and cost of dumping these materials are the sole responsibility of the contractor or the resident. Contractors hired by residents are responsible for removing their debris.

DPW Complex Notice:

Garbage or debris is **NOT** to be dumped anywhere in the DPW Complex. Anyone caught doing so will be subject to illegal dumping fines of **\$1,000.00!**

AUTOMATED GARBAGE

One 96-gallon cart is provided free to each residence. This cart should hold all your weekly household garbage. If needed, additional carts may be obtained for a fee from the Public Works Department by calling 201-265-2100 ext. 3100. The Sanitation Department will only pick up the 96-gallon roll-out cart that is assigned to your particular residence by the Public Works Department. See frequently asked questions for more information.

HOMEOWNER REQUIREMENTS

- Please place the cart at least 5 feet from any tree, pole, mailbox, fire hydrant, etc., and at least 10 feet away from any parked cars.
- If you lean anything against the container, it cannot be lifted for dumping.
- Do not drag the cart when moving it. Tilt and roll with the lid closed.
- Keep lid closed at all times.
- Store the cart in the backyard, garage, or other convenient location.
- Do not store it near a fireplace, furnace, grill or other heat source. Clean the cart periodically with water.
- Do not place hot ashes, solvents, paints or other flammable liquids in the cart.
- Do not use the cart to hold hazardous materials such as: dead animals, chemicals, oils, liquids and medical waste, exposed needles, used bandages, etc.
- Do not place dirt, rocks, limbs, or building materials in the cart.
- Do not overfill the cart to the extent the lid will not fully close. If the lid is not closed, garbage will spill to road so the container will not be emptied.
- Do not allow children to play in or on the cart.

FREQUENTLY ASKED QUESTIONS

Why is this AUTOMATED COLLECTION better than the traditional manual method?

- The most important feature of the automated system is that it allows one operator to collect 30% more garbage than a three-person manually operated vehicle.
- Automated collection eliminates the need to manually handle the garbage cans, thereby reducing the opportunity for job related injuries.
- The curbside 96-gallon cart is maneuverable and easy to roll. Each one is extremely durable, features a close-fitting lid and will hold as much household garbage as three (3) regular garbage cans. One cart is supplied to each house, free of charge, by the Borough of Paramus Public Works Department.

What if my cart is damaged or stolen?

- The carts are the property of the Borough of Paramus. Each one is assigned an address and serial number. All reports of damage or theft will be investigated by calling the Public Works office at 201-265-2100 ext. 3100. Repairs or replacements will be made as needed.

May I use refuse containers other than the 96-gallon cart?

- No, the automated truck can ONLY pick up the Borough's 96-gallon containers.

What kinds of refuse can I put in the Automated Garbage Container?

- All household refuse/garbage items may be placed in the cart. It is also recommended that garbage items be bagged and tied, then deposited in the cart. This practice will keep your cart cleaner.

Does the Borough provide assisted and / or rear door collection with the automated garbage container?

- Yes, when residents provide us with a doctor's statement informing us that a resident is unable to take their garbage to the street. Once we have received that statement, we will begin your assisted service.

What if one cart is not enough for our weekly garbage?

- Additional carts may be purchased for a fee. This is a one-time user fee and the cart remains the property of the Borough. If a resident moves to another location within the borough, the extra purchased cart may be taken, otherwise, the cart stays at the current address and the borough will pick it up.

If I purchase an extra cart, where do I place it for pick up?

- If you set out more than one cart for pickup, the carts must be placed at least 5 feet apart.

What is the difference between kitchen garbage and trash?

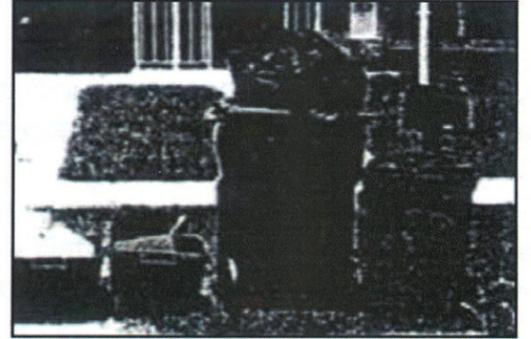

- On Monday (South of Midland Ave.) and on Tuesday (North of Midland Ave.) only those items that fit into the 96-gallon container will be collected. On Thursday (South of Midland Ave.) and on Friday (North of Midland Ave.) in addition to the 96-gallon container bulky items may be placed to the curb.

RECYCLABLE MATERIALS ARE NOT CONSIDERED GARBAGE OR TRASH AND MUST BE RECYCLED.

How to properly place your GARBAGE CART

Fill It

- ◆ With your bagged garbage/trash (NO Yard Trimmings)
- ◆ Not overflowing - lid closes completely
- ◆ No extra bags of garbage beside cart
- ◆ Do NOT move cart with lid open

Park It

- ◆ **Wheels of cart toward your home**
- ◆ Cart on one side of your driveway

Yes

No

Space It

- ◆ Give at least **5 feet length** of clearance **on all sides of the cart** (This includes keeping away from mailboxes, trees, telephone poles, utility wires, parked cars, basketball nets, sprinkler heads, children's toys, etc.)
