Permitted shall be responsible for the proper maintenance of that portion of the street over which the permit has been issued, including continued backfilling, to compensate for the settlement for a period of one (1) year from the date of certification of the proper street restoration.

Permittee shall assume all liability for damages resulting there from or in any way connected there with.

**FAILURE TO MAKE PROPER RESTORATION OR MAINTENANCE: USE OF DEPOSIT
§383-10 OF THE CODE OF THE BOROUGH OF PARAMUS**

In the event of the failure to restore the street opening properly within a reasonable time after the opening has been made or to maintain the restored street properly for a period of one (1) year from the date of the aforesaid certificate of proper restoration, the Department of Public Works may, upon thirty (30) days notice to the person receiving the permit, undertake the required restorations or maintenance work. The cost thereof shall be deducted from the deposit made pursuant to §383-2 of the Code of the Borough of Paramus.

RETURN OF DEPOSIT §383-11 OF THE CODE OF THE BOROUGH OF PARAMUS

The deposit or remainder thereof shall be returned to the person receiving the permit one (1) year after the date of the certificate of proper restoration has been issued.

§ A460-39 Chapter 383, Streets and Sidewalks

Article I, Street excavations. (1) Road opening permit fee: \$300. (2) Road opening inspections: \$350, which shall cover up to a maximum of four inspections, one hour in duration. Additional inspections shall require a fee of \$75 per inspection of one hour.
